## Congratulations

The Management of Nexus would like to congratulate the children of our Nexus associates and Imagineers who have achieved excellent results in their 2019 PSR examination. It has been a tradition in the company to reward our employees' children who have performed well in their studies and recognize their hard work as well as acknowledge the roles and support of their parents through the annual Academic Excellence Award Scheme.

This year, in adherence to the MOH guidelines on events and gatherings due to Covid-19, a short but meaningful ceremony to present certificates and awards to the students was held on Tuesday, 9th June 2020 in the presence of our CEO, Hajah Nor Azura Binti Haji Mohd Tahir and some of the proud parents of the students.
