NEXUS AND DST DEVCO JOINT-COLLABORATION IN TRAINING

Nexus and DST DevCo sealed their collaboration with a jointly-organised Bright Ideas workshop on 15th and 16th June (1st batch) and 18th and 19th June (2nd batch) involving associates from both development companies. The workshop is conducted by Livewire Brunei at Nexus Headquarters Training Room, Annajat Complex.

Participants include associates who are keen to pursue their entrepreneurial goals. Nexus itself has organized similar workshop and Business Plan series via online, participated by about 40 associates. The latest workshop is the first to be delivered in a classroom situation since the easing of Covid-19 restrictions. The Ministry of Health guidelines continue to be observed with the number of participants limited to 20 and the seating arrangement to allow physical distancing.

PCs SEALED AND DELIVERED TO MOE

Our commitment to deliver 40 PCs to the Ministry of Education to support the students' online learning was completed on Thursday, 11 June when all the PCs complete with supporting components including webcams, headphones and wireless USB adapters were delivered to the Department of ICT, Ministry of Education at the Old Airport in Berakas.

The donation was another CSR programme for the company in support of the initiative by the Authority for Info-communications Technology Industry (AITI), in collaboration with the Ministry of Transport and Info-Communications (MTIC) and Ministry of Education (MoE) to assist students in need. Online learning has been implemented since the end of March due to the pandemic Covid-19.
