## OFFICE ZONE

Offering the different zones in the Nex.U.s office gives staff a more diverse work style. By doing this, staff will have the choice and control they need to find a good room that fits their work needs. These zones can ensure a sweet spot of enviable office culture and productivity levels.

Ultimately, these zones can enable everyone to contribute to the company as well as work towards the goals they set out in Nex.U.s in positive, inspiring ways while accelerating business results at the same time.

### WEST WING

### 1 LAB ZONE

This zone can be used when you and your team need a private space to discuss your confidential projects. Here, you'll be sure to give and get undivided, maximum attention to details.

## 2 FOCUS ZONE (x 4 ZONES)

These zones will be used for consultations with your respective career coaches, where you have the **privacy** to speak in confidence. These quiet zones can also be used either as a space to 'stretch out' your thoughts, or a private place allows maximum **concentration** needed to be productive, especially on work deadline.

## 3 BRAINSTORMING ZONES (X 1 ZONE)

Have any good business ideas? Want to become the next service solution provider? We have a lot of great minds in Nex.Us and when they work together, they're capable of great things. But to make the most of all that creative **potential**, use this space with your team members for **inspiration**, **support** and to get your creative energy moving.

## 4 CREATIVE ZONES (X 2 ZONE)

Time to **execute** and **get inspired!** Mix and match your creative flows, and come up with further **innovative** ideas from the plans you've brainstormed. Once you have those plans, focus on how to get it done and move those plans forward.

## 5 COMMUNAL ZONES ( X 2 ZONES)

Eat, drink, and be merry. These zones support the activities that make people love coming to work. Aside from having an area where you can **catch up** with your colleagues, this zone allows teams to gel and foster the kind of **rapport** that makes thinking and creating together an agile, **energizing** work experience.

## 6 COLLABORATION ZONE ( X 1 ZONE)

This space provides natural crossroads for members of the same team to meet with other different teams to **work effectively** together. You'll be provided with the adequate tools and environment to **pitch** those business proposals and **expand** ideas. The **possibilities** are endless.
