

## NEXUS TERUS BERFUNGSI DISEBALIK SEKATAN COVID-19 *NEXUS CONTINUES TO FUNCTION AMID COVID-19 RESTRICTIONS*

Dengan hampir semua kakitangan dan rakan sekerja terus bekerja dari rumah untuk minggu kedua dan semua aktiviti yang dirancang sebelum ini sama ada telah dibatalkan atau ditangguhkan ke satu tarikh akan datang tertakluk kepada situasi Covid-19 di negara ini, Nexus yang telah mengaktifkan Pelan Kesyukuran Perniagaan pada 9 Ogos 2021, terus berfungsi dengan mesyuarat dan perbincangan dijalankan secara maya walaupun sebahagian kecil kakitangan perlu datang ke pejabat dari semasa ke semasa untuk menjalankan tugas-tugas kritikal untuk memastikan fungsi syarikat tetap berjalan. Dengan pelaksanaan SOP, mereka yang datang perlu melaporkan diri kepada penyelia mereka terlebih dahulu dan mesti memakai sungkup muka, mengimbas kod QR BruHealth dan menjalani pemeriksaan suhu sebelum dibenarkan masuk. Sebagai langkah berjaga-jaga tambahan, seluruh kawasan pejabat kerja-kerja pembasmian kuman dan pembersihan telah dilakukan pada hari Rabu, 16 Ogos 2021.

*With almost all staff and associates continue to work from home for the second week and all activities planned earlier have either been cancelled or postponed to a later date depending on the Covid-19 situation in the country, the company, having activated its Business Continuity Plan on 9th August 2021, continues to function with meetings and discussions conducted virtually with skeleton staff coming in to the office from time to time to carry out critical tasks to keep the company going. With the SOP in place, those coming in have to report to their supervisors in advance and have to wear mask, scan upon entry the BruHealth QR code and undergo temperature check before being allowed in. As an extra precautionary measure, the entire office areas were disinfected and sanitized on Wednesday, 16th August 2021.*
