

TAHUKAH BISKITA (SIRI 2) DID YOU KNOW? (SERIES 2)

Dua minggu lepas, kami memaparkan sebahagian dari empat wanita hebat di bahagian FM, Nexus. Hari ini, kita berkenalan dengan sebahagian lagi wira dan wirawati perkhidmatan yang telah memastikan ruang pejabat kitani siap sedia untuk digunakan

Two weeks ago, we featured some of the four amazing FM ladies of Nex.Us. Today, lets meet the other half of the office's service heroes who've also made it possible for making our office presentable and work-ready:

From L – R: Haji Md Zlan Bin Haji Hassan, Ali Bin Haji Mohamad Daud, Sainah Bte Haji Jait & Sinah Bte Haji Karim

Dari kerja-kerja mencat, memasang perabot dan yang penting, menyediakan ruang pejabat sentiasa bersih dan disanitasi, mereka telah melakukan semuanya. Mereka perlu mendapat penghargaan dari kitani semua.

From wall painting, furniture installations, and most importantly, keeping the entire office clean and sanitized were all done by these amazing individuals? They truly deserve recognition from all of us.

FAKTA BONUS | BONUS FUN FACT:

Adakah biskita tahu, kebanyakan warna-warna didinding-dinding ruang pejabat Nexus dipilih bagi merangsang minda biskita? Contohnya, warna hijau dan biru di zon komunal mempunyai kesan yang sama terhadap tumpuan dan produktiviti. Ini semua mengenai warna! Bagi mereka yang belum melihat kemas kini pejabat kitani, lihat kembali e-mel mengenai NEXNEWS kitani yang bertajuk 'Office Zone'!

Also, did you know, much of the paint colours for the Nex.Us office walls were chosen for brain stimulation? For example, the colours green and blue in the communal zone have a corresponding impact on concentration and productivity. It's all about the colours! For those who haven't seen the latest updates of the office, checkout our NEXNEWS mass mail, titled 'Office Zone'!

Sekali lagi, kami ingin mengucapkan ribuan terima kasih kepada wira dan wirawati FM ini, dan semua pihak yang terlibat, termasuk Pasukan Keselamatan dan HSE. Individu-individu ini telah menunjukkan bahawa setiap orang harus dan selalu dapat berperanan untuk saling membantu mencapai sasaran dan hasil yang bermutu tinggi. Ini adalah peringatan kepada kita semua bahawa tidak ada halangan jika kita bekerjasama; sebagaimana Nabi Muhammad SAW pernah bersabda:

“Orang-orang yang beriman adalah antara satu sama lain sebagai tembok batu bata, saling menyokong dan saling menguatkan. Dan ketika mengatakan ini, Nabi Muhammad (SAW) memegang tangan dengan memaut jari-jari baginda.”

(Al-Bukhari)

Once again, we'd like to extend our utmost gratitude to these FM heroes, and all those who were involved, including the respective Security and HSE Teams. These individuals have shown that everyone should and can always play a role in helping each other reach targets and achieve the highest possible outcome. This is a reminder to us all that there are no barriers when we work together; as Prophet Muhammad (PBUH) once said:

“Faithful believers are to each other as the bricks of a wall, supporting and reinforcing each other. And while saying this, the Prophet Muhammad (PBUH) held his hands by interlocking his fingers.”

(Al-Bukhari)
