

NURHAYSA MEMENANGI PERTANDINGAN 'FOLLOW, LIKE AND TAG' NEXUS.TECH NURHAYSA WINS NEXUS.TECH FOLLOW, LIKE AND TAG CONTEST

Nex.Us Tech Sendirian Berhad, syarikat yang ditubuhkan oleh Nexus untuk menyediakan perkhidmatan pengurusan kemudahan, baru-baru ini telah menganjurkan pertandingan untuk para pelanggannya di mana mereka diminta untuk mengikuti laman IG nexustechbn, menyukai dan mengongsikannya dengan sekurang-kurangnya 3 ahli keluarga atau rakan-rakan. Pertandingan yang berlangsung dari 14 hingga 21 Oktober itu mendapat sambutan yang menggalakkan dan pada hari Jumaat, 29 Okt, satu majlis ringkas telah diadakan di Nexus untuk menyampaikan hadiah kepada pemenang, Nurhaysa Adlina binti Azami. Beliau menerima hadiah kemenangan, sebuah telefon bimbit Samsung AO2 yang disampaikan oleh Pengurus Am Nex.Us Tech, Haji Roslan bin Othman.

Nex.Us Tech Sendirian Berhad, Nexus' first spin off company for facilities management services recently organized a contest for its followers and customers whereby they were asked to follow its IG nexustechbn, like and tag at least 3 family members or friends. The contest which run from 14th to 21st October attracted quite an encouraging response and on Friday, 29th Oct, a short ceremony was held at Nexus to present the prize to the winner, Nurhaysa Adlina binti Azami. She received her winning prize, a Samsung AO2 mobile phone presented by Haji Roslan bin Othman, the General Manager of Nex.Us Tech.

LIVEWIRE ADAKAN BENGKEL 'BUSINESS MODEL CANVAS' LIVEWIRE CONDUCTS BUSINESS MODEL CANVAS WORKSHOP

20 peserta dari Nexus menyertai bengkel LiveWIRE MasterClass : Business Model Canvas (BMC) pada hari Jumaat, 29 Oktober 2021 yang dijalankan melalui atas talian. Bengkel yang berjalan dari 8:30 pagi hingga 11:30pagi itu dikendalikan oleh Mohamad Fadhilullah Tudun Bin Haji Hassan (Bobby), Kaunselor Perniagaan Livewire. BMC adalah alat praktikal yang boleh digunakan untuk menerangkan secara ringkas perniagaan biskita menggunakan 9 blok asas seperti cadangan nilai, segmen pelanggan, saluran dan pengedaran, hubungan pelanggan, aktiviti utama, sumber utama, rakan kongsi utama, model pendapatan dan model kos.

Para peserta Nexus datang dari bahagian Pembangunan Perniagaan dan unit-unit di bawahnya seperti NexGifts, BekOpis, Inovasi dan Perniagaan Baru Muncul serta rakan-rakan yang telah membentangkan cadangan perniagaan mereka semasa Ideation Day.

A screenshot of a Microsoft Teams meeting. The main content is a slide titled "Examples of Business Model Canvas" which displays two examples: Facebook and Instagram. The slide is divided into sections for Key Partners, Key Activities, Value Proposition, Customer Relationships, Customer Segments, Key Resources, Channels, Revenue, and Cost Structure. A "People" sidebar on the right lists 21 participants, including Bobby Hassan as the host. The bottom of the screen shows the Teams interface with a grid of participant avatars and a taskbar at the very bottom.

20 participants from Nexus today join LiveWIRE MasterClass : Business Model Canvas (BMC) workshop on Fri, 29 October 2021 conducted via Ms teams. The workshop conducted from 8:30am -11:30am was facilitated by Mohamad Fadhilullah Tudun Bin Haji Hassan (Bobby), Livewire's Business Counsellor. BMC is a practical tool that can be used to briefly describe your business using 9 fundamental blocks like value proposition, customer segments, channel and distribution, customer relationships, key activities, key resources, key partners, revenue model and cost model.

The Nexus participants come from the Business Development division of Nexus and different units under it NexGifts, BekOpis, Innovation and Emerging Business as well as associates who have presented their business proposals during Ideation Day.
